President's Day Fun By: Emma Heap

On President's Day we didn't have school. President's Day isn't just about free furniture, sleeping in it is about the men who have ran our country for 228 years. For President's Day, 4-6 grade we wrote facts. Then, put their facts into a silhouette of either Donald Trump, John F. Kennedy, the american flag, and lots more. 2nd Grade made an Abraham Lincoln face and wrote 3 facts about him on his hat.

Young Authors By Rosie Trautman

There are a lot of talented young authors that participated in this event. This is a chance for them to use their imaginations. The winners were Camden Graham and Gracey Drennen. They will be going to a convention in April. All those who participated got to have a party that Mrs. Hopfinger provided. Here is a reading quote: "The more things you read, the more things you know, the more things you learn, the more places you'll go."

St. Joseph Volleyball

This year we have four volleyball teams. The fifth grade girls team, sixth girls grade team, seventh grade, and a eighth grade girls team. Mrs. Platzkoester coaches the fifth and sixth grade team and Mrs. Coats is coaching the seventh and eighth grade team. This year we are partnering with Notre Dame for Volleyball. All of our teams have been very successful this year. Good luck to all of our volleyball players for the rest of the season.
