

Did You KNOW?

Sending your child to a great private school that emphasizes the importance of Christian values, the development of positive self-concept and strong academic background through discipline, cooperation, and responsibility is within your reach. If you think you can't afford it, think again! St Joseph Catholic School offers several programs that make tuition affordable for you and your family.

Together We're Better (TWB) is a gift card sales program that allows you to earn money for your tuition. St Joseph's buys gift cards at a discounted rate set by the merchant. The gift cards, available for grocery stores, restaurants, gas stations, clothing stores, and much more, are sold to you, your family and friends at face value. A portion of the difference in the face value and discounted rate is then then put towards your tuition. It's easy to do! Sign up with the school today and visit www.shopwithscrip.com for more information.

"The Scrip program aka Together We're Better has helped us pay for tuition. It is nice to get a check or tuition credit every 6 months for our necessary purchases." - St Joseph Family of 4

St. Joseph Catholic School is committed to providing an education to any child who meets the admission requirements regardless of financial need. Today, approximately 20% of the school's families receive financial assistance. A family can submit a Smart Tuition Application for financial assistance and then meet with the Pastor. Applicant confidentiality is assured and consideration is based on each family's situation. For more information about the application visit www.smartaidforparents.com.

"When making the decision to send our 3 children to St. Josephs Catholic School we knew they would get an outstanding education in a warm and caring environment that nurtured our love for God. What we didn't know was how we were going to afford to send them there. The tuition assistance program was the answer to our prayers. After filling out the simple form and including our tax information there was a question that asked - "What can you afford?" We wrote down our honest answer, and that is exactly what we paid. Prayers answered!" - St Joseph Family of 5
